Please find below and/or attached an Office communication concerning this application or proceeding.

Notice of Non-Compliant Amendment (37 CFR 1.121)

1. The amendment document filed on June 7, 2004 is considered non-compliant because it has failed to meet the requirements of 37 CFR 1.121, as amended on June 30, 2003 (see *68 Fed. Reg. 38611*, June 30, 2003).

The amendment document is non-compliant because each claim has not been provided with the proper status identifier, and as such, the individual status of each claim cannot be identified. Specifically, claims 36 and 37 have been given the status identifier (original), which is incorrect. Claims 36 and 37 were not part of the original claims filed August 20, 2001, they were add in the amendment filed April 1, 2003. Therefore, the claims were previously presented not original.

2. In order for the amendment document to be compliant, correction of the following item(s) is required. Only the corrected section of the non-compliant amendment document must be resubmitted (in its entirety), e.g., the entire "Amendments to the claims" section of applicant's amendment document must be re-submitted. 37 CFR 1.121(h)

3. Since the amendment appears to be a *bona fide* attempt to be a reply (37 CFR 1.135(c)), applicant is given a TIME PERIOD of ONE MONTH from the mailing of this notice within which to re-submit the corrected section which complies with 37 CFR 1.121 in order to avoid abandonment. Extensions of this time period are available under 37 CFR 1.136(a).
